Learn more about the collection at www.usccb.org/catholic-relief. iGiveCatholic also accepts funds for this collection if you prefer to donate online.

REMINDER

In contemporary Catholicism, it is considered respectful for gentlemen (including children) to remove their hats in church as a sign of reverence. However, if a man is wearing a hat for medical reasons, it is usually acceptable to keep it on. It is important to be mindful of the customs and traditions that are integral part of the worship experience. Gentlemen, please remove your hat when you are in church in the presence of our Lord.

MARRIAGE PREPARATION

For a Sacramental Marriage, you must be a registered parishioner and be free to marry. If you or your fiancé are divorced a decree of annulment in most cases will be necessary.

Contact the priest or deacon who will witness your marriage **as soon as you become engaged**, or **at least nine months before your proposed wedding date**. You will be meeting with your priest/deacon several times. You **should not** set a date, plan the wedding and contact the church last.

Attendance at Marriage Preparation programs in the Diocese can be done 8 to 12 months before your wedding. You will learn about communication skills, finances, sexuality, Natural Family Planning, spirituality, becoming a "domestic church", and many other helpful and important topics. You will also receive information on planning the wedding ceremony.

The diocesan marriage directives require a premarital inventory of all couples before marriage. FOCCUS is one particular inventory that is used the most in our diocese, and across the country. This inventory is not a test – it is a discussion tool to help you communicate about the areas of your relationship that are strong and those that need work. A priest, deacon, or someone assigned by either gives instruction on taking this inventory online and schedules a follow-up session.

It is recommended that the FOCCUS inventory and follow-up session be done before you attend a Marriage Preparation Series.
